Hennessi A Cream Ivory

Hennesi A Cream Ivory Goose Blanket

Hennesi A Navy

Lacrowa A

Sensory harmony in neutral beige tones, blends cotton's crisp texture with the softness of Allergy X-Cover. Modified logo-typography embroidery adds refined detail, completing a sophisticated mood within understated luxury. The upgraded Aller-Cotton line combines the subtle sheen and softness of 80-count Supima cotton with enhanced functionality. A distinctive proposal for prestigious living, where material excellence meets design sensibility.

Bedding

Allerman evokes a quiet elegance born from the union of modern design and timeless comfort. With sumptuous fabrics, poetic balance in color, and a mastery of subtle detail — this is comfort, reimagined as art.

Beautifully Tailored

Greenwich White

Greenwich

Silky softness is achieved through Nafu-Washing, with sophisticated color combinations flowing gently across the fabric. Refined black-label details create a distinctive presence within calm luxury. More than bedding, it is a design that completes the sensory mood of everyday life. The moment you touch it, softness spreads throughout your space.

Greenwich White pillow

Crafted for Comfort,

Designed for Life

Crafted for calm. Defined by detail.
Allerman, where design meets serenity.

Greenwich Blue

Fleur

Subtle multi-toned colors and oversized florals create bright yet tranquil harmony with refined luxury and an exotic allure. Nature-inspired patterns softly transform your space with serene vitality, like a living work of art. Sophisticated depth over fleeting brilliance, it offers elegance within simplicity. Infusing your daily life with the poetry of distant travels and moments of sensory rest.

Color Pink

Material Allergy X-Cover

Robert

Melange texture with diverse color blends on silky, high-quality fabric. Subtle sheen and dimensional texture reminiscent of Chanel tweed add refined depth to your space.

A fresh interpretation of the beloved Dulton style, combining trend-forward design with refined sophistication. Edgy design tailored for the younger generation seeking distinctive, sensory aesthetics that complement their lifestyle.

DULTON

Color
Gray

Material
Ultra X-Cover

Whitish grey tones create a subtle color balance, delivering modern elegance like the delicate interplay of light and shadow. Calm yet luxurious grey adds depth to your space, completing a refined atmosphere with understated sophistication.

Refined details within simplicity preserve timeless beauty, conveying the value of restrained luxury even in quiet moments at day's end. Pure whitish grey and sensory textures make every moment more exceptional.

WannaBe Blue

WannaBe

Natural serenity that unfolds gently like a herbal fragrance. Blue and grey colorways flow along delicate leaf textures, creating sophisticated harmony that adds elegant rhythm to your space. Textures reminiscent of Chanel's feminine sensibility express strength within softness, completing distinctive refinement for contemporary wedding bedding.

Color Gray, Blue

Material Allergy X-Cover

WannaBe Gray

Aloha

Exotic design where botanical and floral elements blend harmoniously, as if blooming from a florist's touch. Vibrant yet refreshing, nature's vitality fills your space with crisp clarity. Sophisticated styling perfect for spring and summer seasons, bringing fresh inspiration when you need a change of atmosphere.

Color Green

Material Allergy X-Cover

Berner

Trendy typographic embroidery on brushed-soft textured fabric creates a sensory yet neutral mood. The new Aller-Modal material paired with Lenzing Modal combines a natural drape with the soft touch of Allergy X-Cover. Ease within simplicity. Proposing refined everyday elegance that is casual yet meticulously crafted.

Color Pink, Gray, Blue

Material Aller-Modal

Benie

A design where pure white florals and fresh green foliage blend to create a pristine, serene atmosphere. Dimensional square embroidery placed like wings on white fabric adds refined craftsmanship and luxurious texture. Aller-Cotton's matte finish and natural harmony add gentle breathing space to white or natural-toned interiors. Proposing clear, refined beauty with quiet elegance within.
